

**Dear Store Manager or Frozen Foods Buyer:**

We, the undersigned, are very excited about an amazing nondairy frozen dessert called **Luna & Larry's Coconut Bliss®**. We are regular customers of your store and we would love to be able to purchase this product when we come to shop.

**Luna & Larry's Coconut Bliss®** is: certified organic, sweetened with low glycemic agave syrup, soy-, dairy- and gluten-free, kosher, and made with fair trade ingredients. It is produced in Eugene, Oregon, and while there are now several other coconut milk ice creams on the market, Luna & Larry's is the first and the best.

We urge you to begin stocking it as soon as possible! The information you need to order is at the bottom of this page. **Thanks for your consideration!**
